

Rise & Shine Childcare

Mobile Creche

Why choose us

Are you trying to organise a training event, celebration, a charity event or a group? If so, our mobile creche can make it easy for you.

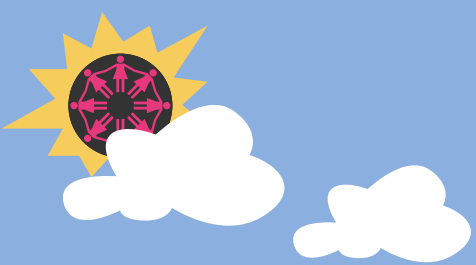

Lack of childcare facilities can make it hard for parents to attend events and we can help you increase attendance by providing a pop-up creche.

We have many years experience and have a dedicated qualified team of childcare practitioners, development workers, and family support workers. All our staff are fully qualified, SSSC registered and PVG checked. Our staff team regularly attend appropriate training courses to enhance their skills and continuous professional development.

We are a social enterprise and we offer 15+ women employment opportunities as a result of the mobile crèche services. These women have benefited greatly from increasing their social, educational and employment skills.

Rise & Shine will provide a day to remember for your parents and children.
